BioWash Pro BioWash

Drum Kits from **BioWash Pro** are designed to save on space, shipping, and drum disposal.

Each **Bio Wash Drum Kit** makes 1 x 55 drum of Concentrate or up to 330 gallons of ready-to-use solution.

BioWash Multi-Purpose Cleaner & Degreaser is a SAFE All-Purpose Industrial Strength Cleaner that is environmentally responsible with a zero rating in the three NFPA* categories of health, flammability and reactivity when diluted. This effective and versatile cleaner is an industrial strength degreaser as well as a multi-use cleaner. It removes even the toughest grease and dirt from any water safe surface efficiently and safely by breaking down the molecular bonds.

APPLICATION

DIRECTIONS:

To make a 55 gallon drum of **BioWash Pro Bio Wash Concentrate** from this two-part Ultra Concentrate system → Add 5 gallons Part A plus 5 gallons Super Concentrate Part B plus 45 gallons water to make 55 gallons of **Concentrated BioWash Pro Bio Wash Solution**.

The 55 gallon drum is ready for further dilution as your favorite multi-purpose cleaner/pressure wash solution.

****Follow standard dilutions for an environmentally preferred multi-purpose solution ▼**
