HOUSE & DECK
OUTDOOR

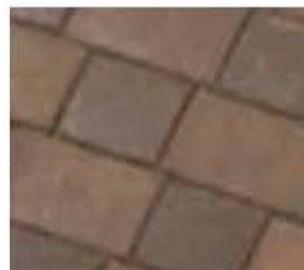

MOLD & ALGAE
CLEANER / STAIN REMOVER

Remarkable product works so you don't have to. The surface requires no pressure washing, scrubbing, or rinsing. Just Completely cover surface of affected areas, keeping the surface wet for as long as possible. The elements wind an rain will wash off the stain. If the surface to be treated is not fully exposed to rainfall then assistance may be required to eliminate unsightly soils.

DIRECTIONS FOR USE: Check weather. Surface must be dry.
Mixing Directions: Mix 1 part concentrate with 5 parts water.

Apply and completely saturate surface and allow to dry.
A second application may be necessary for extremely difficult areas but allow at least 1 month to evaluate.

PREVENTATIVE MAINTENANCE:
re-apply every 12 - 24 months .

NO Sodium Hypochlorite
Noxious or Volatile
Fumes or Odors
